Dear Parent/Carer

SCHOOL PHOTO DAY – FRIDAY 2 NOVEMBER 2018

We have arranged for School Photographers', Cardwell and Simons, to visit Cranbourne on Friday 2 November 2018 for the whole day to take photographs of all students in Years 7-11. These will be used for our school record system. In addition we will take tutor group photos for all Year 11 tutor groups plus a whole Year 11 photograph.

Following the photo day your child will be given a proof card which will enable you to log on to the secure Cardwell and Simons on-line ordering service and make an order. Prices are very competitive and delivery should be in time for Christmas! Delivery will be to school and we will distribute the photographs to students.

We would like to arrange for Cardwell and Simons to take family photographs and are considering booking this for a Monitor Day in the future or for an evening (2019). If you would be interested in this please complete and return the slip below.

Thank you.

Yours faithfully
