

March 2019

Year 8 into 9 Options Information Evening, Wednesday 20th March 6.00pm, Main Hall

Dear Parents/Carers

In September 2019 we will provide learners with a curriculum that is relevant and meets their interests and aspirations. Consequently, students will be fully engaged with their learning, making better progress and achieving higher standards as a result. Our emphasis will be on providing a broad and balanced curriculum and we aim to design a package for each individual that reflects their preferred choices. We aim to give students the freedom to specialise in subjects that they find personally interesting and relevant to their future.

The following events are in place to ensure that you and your child are fully informed about their current academic attainment and the Year 9 courses on offer at Cranbourne.

Wednesday 20th March **Year 8 into Year 9 Options Evening.** A presentation will be given to parents / carers and a **Year 8 into Year 9 Options Information Booklet** will be issued to students. It is important that they study this as it gives information about the courses offered.

Wednesday 24th April **Year 8 Parents' Evening.** This is an opportunity for you and your child to discuss their progress with subject teachers.

Monday 29th April The **deadline** for completed **Year 8 into Year 9 Options Forms** to be submitted. They must be signed by the student, parent/carer and form tutor.

Students are encouraged to talk through any issues they may have with their subject teachers. We do want to work closely with you throughout the process and if you have any questions or require any further information please contact either your child's tutor or head of house.

Yours faithfully,

Mr. R. Pegler
Assistant Headteacher
