

Teacher of Science

Are you passionate about science and eager to inspire the next generation of scientists and problem-solvers? Join Cranbourne, a school built on the values of **Care**, **Challenge**, **Creativity**, and **Community**, where you can make a real impact in a supportive and vibrant environment.

About Us

Cranbourne is a welcoming, inclusive, and forward-thinking school, where dedicated staff and a diverse student body create a vibrant community. With our recent Ofsted inspection highlighting our strong practice and supportive culture, our school continues to grow. Our ethos is built on collaboration, innovation, and supporting each other to maintain a positive work-life balance.

The Science Department is a hub of creativity and innovation. Housed in a dedicated suite of fully equipped labs, with two prep rooms and the support of two skilled technicians, it's a fantastic environment for delivering high-quality science education. We follow the AQA GCSE Specification, offering both combined trilogy and triple science, with strong student engagement across all year groups.

The Role

As our school roll continues to grow, we are looking for an enthusiastic and reflective **Teacher of Science** to join our forward-thinking Science Department. Whether you are an ECT or an experienced teacher, you will have the opportunity to contribute to and thrive in an inspiring environment that values teamwork and excellence in teaching.

We are looking for a candidate with:

- A passion for science and a drive to inspire students.
- Strong interpersonal skills and the ability to work collaboratively within a team.
- A commitment to our core values and the determination to improve life chances for all students.

What We Offer

We provide our staff with a wide variety of professional development opportunities, including collaborative twilights and conferences. Alongside an excellent induction programme, we offer an inspiring teaching and learning environment and outstanding ongoing professional learning to support and enhance your career.

Our Community

At Cranbourne, **Care** for students and staff is at the heart of all we do. We thrive on **Challenge**, inspiring students to achieve their full potential. We foster **Creativity** in our teaching and encourage students to think beyond the classroom. And, above all, we celebrate our **Community**, ensuring every member feels valued and supported.

Safeguarding Statement

Cranbourne and Hampshire County Council are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

Salary: MPR/UPR

Contract: Permanent, Full-time

Start Date: September 2026

Closing Date: Thursday 7 May 2026 (12 noon)

How to Apply

To apply, please complete HCC's Teacher Application form and email it to s.owen@cranbourne.hants.sch.uk. For further information, contact Suzi Owen via 56 868600.
