

Cranbourne EHCP Provision

Consultations are sent to school prior to the pupil being placed. The SENDCo, Deputy SENDCo and Head of Resource Provision look carefully at provision required to ensure that we are able to provide the appropriate support.

Pupils views are gathered and teachers comments are sought in respect to their individual outcomes.

An Annual Review is held in line with the timescale given by county and parents and pupils are invited to discuss and share the progress that has been made for that year.

Pupils individual outcomes are identified and the EHCP is shared with all staff who work with the pupil.

Support is provided in accordance to the level of funding

A Pupil profile is created and uploaded to our school intranet system – Edulink.
